

Childhood in Coleorton

Open Day

Saturday 5 October

2pm—5pm

at Viscount Beaumont School

We're hosting an **Open Day** when residents of Coleorton can get together and talk about their childhood around a cup of tea and cake. We have some old photos of Coleorton schools, churches, outings and so on. **See who you can identify in the photos!** Bring your memories and photos to share.

It's not just for oldies - youngsters can contribute their stories about what it's like growing up in Coleorton today. If you grew up elsewhere we'd love to hear about your experiences too.

The Coleorton Heritage Group researches, records and makes publicly available local heritage, social, industrial and family history. We also support various restoration projects, like the Communal Bakehouse on The Moor.
